LILFORD GRADUATE MEDICAL SCHOLARSHIP

Thrive within our graduate residential community located on the campus of the University of Melbourne

VALUE: \$5,710

The Queen's College Lilford Graduate Medical Scholarship is valued at \$5,710 and is equally divided as a reduction off fees for both semesters in the same calendar year.

OFFER & SELECTION

The Scholarship is offered to a full-time student studying for a medical degree within one of the Graduate Schools at the University of Melbourne and who accepts an offer of residency in the College. The Scholarship is offered yearly.

Selection of the successful applicant is based on academic merit and an interview process.

APPLY TODAY

Apply for residence at Queen's College and to all applicable scholarships online here:

www.queens.unimelb.edu.au/graduates/apply-graduate

“ Receiving the Lilford Graduate Medicine Scholarship has made such a difference to me; I can now fully concentrate on my studies, without the constant low-grade anxiety caused by financial stress.”
